Jesus saved me when I had no hope

#12407

From the age of 16–34 I lived a life of drinking, smoking and terrible relationships that were sometimes violent. When I couldn't take it anymore, I mean I had no hope, I just wanted to end it all. I was not a Christian, I knew nothing about Christianity, in fact I didn't take it seriously at all.

One day I just cried out to Jesus. I don't know why I did it; it was the first name that came out of my mouth, I was so desperate.

But Jesus answered me; it was a miracle. I instantly saw a bright light twirling around in my bedroom and a reflection of a cross on my TV (which was not on). To be honest I was scared because I didn't know what was happening.

Now I am living. I'm living such an awesome, joyful, transformed life. God has healed my hurt in such a way that I don't even recognise myself anymore. I've been transformed so much that my brother, my niece and some of my friends are now saved.

Thank you Jesus for answering my call and healing my heart completely. For everything I am truly grateful to you forever my Saviour. God is in the habit of healing hearts with his love and I am glad He healed mine!

Jesus saved me from the midst of depression

#25623

I had recently turned 40 and felt like I had nothing to show for my life, having been depressed since childhood. Jesus heard my prayers to let me come home to God. Jesus has been working with me every day, even by my side in my therapist's office. I am fully immersed and saved. I am so grateful to Lord Jesus and the Father for saving me and bringing me home.

God hears your heart

#25169

I had just moved to a new city away from a life of involvement with criminals. As I was walking up the road alone one day I said in my heart, and it may have reached my lips as a whisper, "I just want the peace that I had as a child when I sat on my Dad's knee!"

It was coming up to Christmas and, as I was sitting quietly at a train station, I met a man who led me to the Lord. He answered every question I had ever held in my heart about God and salvation. At last, I knew! I was saved! Forgiven! Ransomed! Healed!

I cried with Joy for a fortnight! I had been given that peace of being in my Dad's arms sitting on his knee!!!

He transformed my life

#26321

After time in the military and in the Middle East, I fled the brokenness of this world by escaping into alcohol, porn, and sex; which continued over many years even after getting married.

Despite a successful career and having a great family, the hole in my heart was still there. I could remember a time back in high school when I followed Christ and had such peace and love in my life, but I couldn't remember what it even felt like. Peace and

joy had been gone for so long. I would pray at times, mostly my prayer was something like “God, help me to even want to love you again.” I was destroying my own life, my family, and others’ families through my vices.

But God! He answered all those prayers! After numerous failed attempts to avoid porn, extramarital sex and to try and quit drinking; God rescued me from them all. One night I confessed it all to my wife and took Christ’s hand again for Him to lead me in life. I made Jesus Christ my King, not just my Savior, and He instantly and fully took the desire for porn and alcohol from my heart! I had tried by my own strength and failed so many times, but God did it in an instant.

We still have hardships like everyone else living in this broken world, but with myself and my family now centered on Christ we flourish through them in this life. We’re able to focus on sharing Christ with others as we await our great Savior’s return or our death into our next life with our Savior!

God is so incredibly good! He saved my life from my own destruction and gave me new life!!

Thank you for my husband’s salvation

#23903

I was saved a long time ago. We began to have marital problems due to my

commitment to serving the Lord and my husband’s unbelief. I prayed for his salvation for many years. I released everything and everyone to God. No matter what it took, the most important thing in my life was for my husband to be saved. God humbled my love and saved his soul.
